- Time Management
- Leadership
- Effective Communication
- Critical Thinking

TECH SKILLS

- Python (Expert)
- C++ (Intermediate)
- Data Structures
- SQL, MySQL
- Web Development
- Django framework
- Ms office

LANGUAGES

- English(Basic)
- Hindi(native)

PROFILE

I am a Computer Science student with strong skills in full-stack development, using Python and Django for building scalable and secure web applications. Experienced in developing user-friendly interfaces, real-time features, and end-to-end project workflows. Passionate about problem-solving, clean code practices, and learning new technologies. Looking for opportunities to apply my technical knowledge and contribute to impactful real-world projects.

EDUCATION

Diploma in Computer Science (Running) 2023-2026
Mahamaya Polytechnic Of Information Technology Chandauli

Intermediate (12th)-PCM 2021-2022
S K B M Inter Collage Dildarnagar, Ghazipur

PROJECTS

E-commerce Platform Development JUNE-2025 - AUG-2025

Led the development of a comprehensive e-commerce platform for a retail company, including features such as product listings, shopping cart, payment gateway integration, and order management.
Technologies Used: Python with Django, HTML,CSS,JS,SQLite

Real-time Chat Application DEC-2025 - JAN-2025

Developed a real-time chat application enabling users to send instant messages, create group chats, and share multimedia content.
Technologies Used:

CERTIFICATION

Python–Django Full Stack Development – Techpile Technology

Completed a hands-on certification focused on Python, Django framework, frontend technologies, REST API creation, database integration, and full-stack project development. Gained practical skills in building responsive web applications, working with real-time modules, and writing clean, efficient code.
